

## CHEVROLET

# The Popularity of the New Chevrolet Is Evidenced by the Great Number of These Cars We Are Selling

This Is a Bargeload of 43 New Chevrolets I Received Last Week. They Have All Been Sold, But I'm Glad To Say I Have Another Bargeload Coming in Today, Which Means IMMEDIATE DELIVERY

## Note the Expressions of the Following Gentlemen, Who Are Well Pleased Owners of the New CHEVROLET:

Dr. Chas. Allen, Bank of Commerce Bldg., is driving one of our new Chevrolets. He is so well pleased that he insists on our having any prospective purchaser who is in doubt about buying to call him.

Mr. Aubrey Anderson, general manager of all the Piggly Wiggly stores, drove his first Chevrolet 17,000 miles. He says his total

repairs were less than \$40. About two weeks ago we delivered him a new one. He stopped in yesterday to tell us how well pleased he was. He says that he is averaging 25 miles to the gallon of gasoline with his new Chevrolet.

Mr. Lewis Mivelaz, Raleigh, Tenn., drove his first Chevrolet over country roads for

over two years. His total repair bills were 65 cents. This is a rare record and can be substantiated by calling Mr. Mivelaz. The fact that he is driving a new Chevrolet is sufficient evidence that he was well pleased.

Mr. Glen Ingleswright travels the whole state of Arkansas in his Chevrolet. He says that he wore out three cars of a well-known make

over the same roads, and if there is anyone who has any doubts about the new Chevrolet being the car for country roads, let them communicate with him. He is one of those "Been There" drivers.

I therefore say, if you are thinking about buying an automobile, call us for a demonstration and let us show you the wonderful merits of the New Chevrolet.
